

REPUESTOS Y ACCESORIOS PARA TEJEDURÍA E HILATURA

*SPARE PARTS AND ACCESSORIES
FOR THE TEXTILE
INDUSTRY WORLDWIDE*

Situados en el centro de Catalunya, una de las regiones más avanzadas de Europa y uno de los cuatro motores principales de la UE, nuestra actividad dentro del sector de maquinaria textil se remonta a tres generaciones, por lo que contamos con una gran experiencia, pero a la vez también, tecnología de última generación, debido a la constante renovación.

Galardonados oficialmente por varias administraciones públicas, con premios a la calidad y a la internacionalización, nuestras empresas están hoy en día presentes en 66 mercados internacionales de los 5 continentes, a través de nuestros representantes y/o distribuidores en cada uno de ellos.

El presente catálogo de 52 páginas, es solo un ejemplo de repuestos y accesorios que podemos servirles, ya que en realidad la oferta es 1000 veces más amplia y en constante aumento.

Nuestro lema es servir la máxima calidad, (en algunas ocasiones, incluso nos han confirmado que nuestra calidad y/o acabado era superior que la del propio constructor original) a un precio razonable y muy competitivo. Nuestras empresas, modestas y con poca burocracia y sin lujos, no tienen que incidir estos gastos sobre los artículos a vender. Les brindamos la ocasión de que prueben, de que comparen, sólo así podrán tener una idea justa de nuestros productos. Nos interesa tener clientes asiduos y que crezca nuestra 'familia' de clientes. Aquí cada cliente no es número, es alguien muy querido, al cual nos complace tenerlo siempre satisfecho en calidad, precio y servicio.

Atentamente,

ANGEL MATEU, Manager

We are located in the middle of Catalunya, one of the more advanced regions of Europe and fourth driving force in the EU. Our activity in the sector of textile machinery goes back 3 generations, so we have great experience, but at the same time we also have the newest technology, due to constant renovation.

Our company has been awarded numerous accolades by public administrations, with prizes for quality and internationalisation. Our companies are present in 66 countries across 5 continents, with representatives and distributors in each one of them.

This catalogue with 52 pages, is only an example of the reserves and accessories which we could provide to you, because in fact the offer is 1000 times wider and constant increasing.

Our slogan is to provide the maximum quality, (on some occasions even, some clients have informed us that our quality was superior to the original manufacturer) with a reasonable and very competitive price. Our companies are modest, with minimal bureaucracy and without luxuries, so they don't have to transfer these expenses to our merchandise. We invite you to test and compare our products, which is the only way to offer you a fair idea of our products. We are interested in having a solid client base in order to provide the best service to them. For us each client is not just a number, each client is somebody very dear, who we always try to satisfy in quality, price and service.

Sincerely,

C401
